

Panama Summit Rainforest & Golf Resort

Reisebeschreibung

The Summit Rainforest & Golf Resort is a mixture of paradise and elegance that will make your visit a perfect place for your vacation travels or business meetings. It is also considered a hotspot for Birdwatchers as it is situated next to the Pipeline Trail, where over 1,000 different bird species migrate throughout the year. Whether you're visiting Panama for a cultural or ecological experience, with attractions such as the crossing of the Panama Canal Railway Company or the view of wildlife animals such as sloths, capybara and toucans, the Summit Rainforest & Golf Resort will not disappoint!

Zimmerausstattung

The stylish, modern and elegant rooms at Summit Rainforest & Golf Resort provide an experience that few other Panama City hotels can offer. Nestled in the heart of the rainforest just 20 minutes from downtown Panama City, our 103 guest rooms and suites offer an upscale retreat framed by the lush canopies of Metropolitan Park and the green, rolling fairways of Summit Golf Club.

Feel completely at home in bright, airy rooms featuring free Wi-Fi, pillowtop beds, 42-inch TVs, bathrobes and deluxe bath amenities. Most rooms have balconies with rainforest, pool or golf course views, and our spacious suites are equipped with kitchenettes and couches. Choose a room with a bathroom featuring a shower with spa stone flooring or bathtub, and we also offer rooms for the disabled, pet-friendly rooms and interconnecting rooms.
